## Pamber Heath Memorial Hall

### News Letter

Those of you visiting the hall may have noticed that we have a new barrier at the entrance to the car park.

This has been arranged and paid for by the Parish Council and is only just operational.

As the height restriction is 2.1 m this may cause problems for a few vehicles visiting the hall.....bouncy castle providers, bands for the events, refuse trucks, visitors with high sided vehicles etc so we will be providing keys to the clubs concerned.

We hope you appreciate that although this may be a little inconvenient, it will help to keep our grounds clear.

Contact numbers of extra key holders are:
